Subject: 2022 Operations Grant Application

Mr. Troy Jackson:

On behalf of the Washington State Department of Natural Resources (DNR), I want to thank you for your partnership in Wildland Firefighting. At DNR, we recognize that Wildland Firefighting is a shared responsibility and that we rely on our local partners to help us protect communities and defend against large wildfires.

We appreciate your application for the Operations Grant funding and wish to inform you that your Fire District/Departments 2022 Operations Grant Application was selected for funding. You have one (1) year to spend the \$75,383.51 and provide DNR Fire District Assistance Program staff copies of all invoices to include pictures of final project(s) for which the funds were utilized.

If you have questions regarding your grant application, please contact Dan Boyle (DNR Fire District Assistance Program Project Manager) by email at [daniel.boyle@dnr.wa.gov](mailto:daniel.boyle@dnr.wa.gov) or by telephone at 360-480-0490.

Sincerely,

*Russ Lane*
